Getting Affiliates to Sell Your Stuff: What You Need To Know

Getting affiliates to promote your products can be easier money than you could make on your own because...

- ⤴ They attract buyers you otherwise never would have received
- ⤴ Those buyers can become repeat buyers. It's easier to sell to someone who's purchased before.
- ⤴ Your earnings from affiliates is essentially free money – minus the work you put in to attract and work with the affiliates

“How to recruit an army of affiliates who are just waiting to promote your product! Blah blah blah.”

Did that headline look familiar? One of the myths about
